Subject: SCEIS Alert: SCEIS Emergency Maintenance

The South Carolina Department of Administration (Admin) is performing emergency SCEIS maintenance. While this maintenance is underway, all SCEIS services are unavailable.

This includes Enterprise Core Component, Supplier Relationship Management, Business Warehouse (BW), Business Objects, Vendor Registration and SCEIS Central.

Admin's Division of Enterprise Applications (DEA) technical teams are actively performing maintenance to make SCEIS available as quickly as possible.

Please note, once SCEIS is restored, users should expect delays with Business Warehouse (BW) and Business Objects reporting.

Admin will provide an update once the system maintenance is complete.

Thank you for your patience.

Division of Enterprise Applications (DEA)/SCEIS Team
