

HR100V Introduction to SCEIS Human Resources and Payroll

Description

This online course defines the four modules of the HR/Payroll function in SCEIS (Organizational Management, Personnel Administration, Time Management and Payroll) and explains how they are integrated. Users will learn the definitions of master data, transaction codes and infotypes. HR100V also demonstrates how to display and maintain infotypes. Users will have the opportunity to practice displaying and maintaining an infotype during the course.

This online course contains four modules and is a prerequisite for the following HR/Payroll courses:

- ACA100 - Affordable Care Act Reporting.
- ACP100V - Arrears Clearing Process (online course).
- OM200 - Organizational Management.
- PA250 - Personnel Administration.
- PY200 - Payroll Administration.
