Subject: Canceled - Planned SCEIS maintenance Saturday, Sept. 27

The SCEIS planned maintenance scheduled for Saturday, Sept. 27, will not take place due to the potential impact of the impending storms.

To ensure continued access and minimize disruption during this time, the South Carolina Department of Administration (Admin) decided not to take the system offline as originally planned. All portions of the SCEIS system will operate as normal over the weekend.

Admin will notify users of any rescheduling for the planned maintenance. Thank you for your understanding.

If you have questions, contact the SCEIS Service Desk at 803.896.0001 and select option 2 or visit <https://sceis.sc.gov/requests>.

Thank you,
The SCEIS Team
